

RAY "COPPERS"

The Copper Securities of Arizona, and particularly of the RAY CAMP, are now attracting widespread attention and are very active.

RAY CONSOLIDATED, \$24.50 — Asked \$25.00

RAY HERCULES, bid \$3.50 — Asked \$3.75.

ARIZONA RAY, bid 26 1/2c — Asked 27 1/2c.

RAY CONSOLIDATED is one of the greatest copper producing properties in the world—a Jack-in-the-box corporation—it has eighty miles of tunnels, all in ore; and has paid \$7,000,000 in dividends—with the increasing of the dividend rate from \$2 to \$3 per share. Chas. A. Stoneham & Co., of New York, the biggest authority on copper stocks—predicts \$35.00 for RAY CONSOLIDATED.

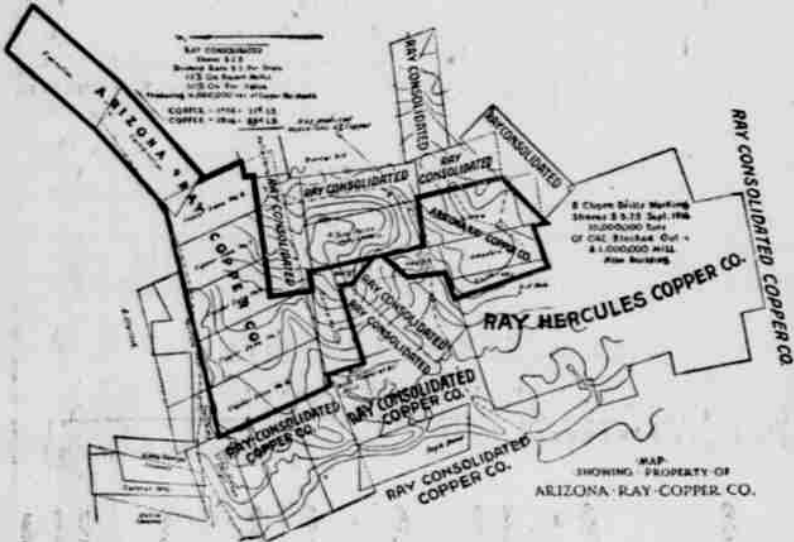

RAY HERCULES

This stock is listed in Stoneham's office under the head of "Junior Coppers". The RAY HERCULES has four churn drills working—has ten million tons of ore blocked out, and is building a million dollar concentrator. Last week while we were on the RAY HERCULES ground—the Company made a strike of native copper—a wonderful sight—believed to be the most important strike ever made in the RAY CAMP. We predict higher prices for RAY HERCULES.

ARIZONA RAY

The opportunity in the RAY CAMP, we believe, is the shares of the ARIZONA RAY—at 27 1/2c. The East and West—right in Arizona—the right in the RAY CAMP—orders have poured into brokers all over the country for ARIZONA RAY.

A Los Angeles broker—J. E. Meyer & Co., No. 231 Byrne Building, Los Angeles, who sold over 1,000,000 shares of Jerome Verde at 10c to \$1.00—says: "I consider that ARIZONA RAY has greater possibilities than Jerome Verde, and should be to the great RAY CONSOLIDATED what United Verde Extension is to the United Verde—if you want to make more money than you ever made in any stock before, and remember, I sold Jerome Verde at 10c—now \$2.00. Buy ARIZONA RAY".

The ARIZONA RAY COPPER COMPANY owns, free and clear of debt—twelve (12) claims adjoining RAY CONSOLIDATED COPPER COMPANY and the RAY HERCULES COPPER COMPANY at Ray, Arizona.

These claims were formerly owned by officials of the RAY CONSOLIDATED Copper Company, and are in the same proven ore zone as the RAY CONSOLIDATED and RAY HERCULES—and development will prove them to be equally as rich.

Edmund L. Hiatt, for six years Chief Engineer of the RAY CONSOLIDATED, has accepted the Mine Management of the ARIZONA RAY.

Work has already started on the property. One churn drill has already been purchased and will start at work as soon as delivered. Another churn drill has been ordered.

Chief Engineer Hiatt believes he will strike the ore body by churn drilling at 150 feet—THIS MEANS, WE BELIEVE, 15 days' drilling.

When one main ore body is struck by churn drilling—we predict ONE DOLLAR A SHARE FOR ARIZONA RAY.

ARIZONA RAY property was also reported upon by Fred E. Young, M. E., and F. M. Dorsey a well known mining man. In summing up his report, Mr. Dorsey says:

"ARIZONA RAY properties should prove up to contain between 20,000,000 and 40,000,000 tons of ore. I expect that on account of the secondary enrichment along the Calumet vein, we will find some extremely rich ore that will carry the total tonnage to the high point. If we do, the property is worth 40 per cent of as much as RAY CONSOLIDATED.

"This is, unquestionably, Mr. Whison, the best proposition you have ever been connected with, and will make every man who goes into it not a few measly dollars, but all the money he will ever need."

The ARIZONA RAY COPPER COMPANY'S office is at Phoenix, Arizona, but its executive office is at Ray, Arizona, where its Assistant Treasurer and Mine Manager—Mr. Edmund L. Hiatt, will be glad to meet any one.

Arizona Ray should advance rapidly. Listed today in Los Angeles. Application pending on several stock exchanges. Wire your order at 27 1/2c.

KANSAS AGGIES LOSE

TO NEBRASKA 14 TO 0

LINCOLN, Neb., Oct. 14.—The University of Nebraska defeated the Kansas Aggies in a hard fought game today 14 to 0. The Aggies proved to have a strong defensive when it came to critical points. Twice the heavy cornhusker carried the ball to within the shadow of the Aggies goal only to lose the ball on downs. Nebraska made a poor showing with the forward pass. Nebraska made one touchdown in the first quarter and one in the second quarter.

DENVER U 14; WYOMING 10

LARAMIE, Wyo., Oct. 14.—Denver University defeated the University of Wyoming football eleven here today 14 to 10, after the Wyoming "cowboys" seemed to have won the contest. Denver pulled up in the last period with two touchdowns and one goal. Both teams used the forward pass for field gains. Denver's backfield using the line plunge repeatedly for numerous downs.

CHICAGO U. 22; INDIANA 0

CHICAGO, Oct. 14.—The University of Chicago football eleven triumphed over Indiana University in the first game of the big nine season here today, winning by a score of 22 to 0. The defeat practically eliminates Indiana from the championship race.

Chicago tore ragged holes in Indiana's line for steady gains. Erelhart, one of Indiana's stars, was so severely injured near the end of the fourth period that he had to be carried off the field. The Indiana team was accompanied by more than 600 rooters, who made the trip by a special train.

COLO. U. 23; N. M. U. 0

ALBUQUERQUE, N. M., Oct. 14.—Colorado School of Mines won its opening football game this afternoon, defeating the University of New Mexico on the university field by a score of 23 to 0.

The Coloradoans hammered New Mexico with line plunges, which New Mexico met stoutly but not stoutly

enough. Schneider starred at quarter and at left end for the School of Mines his end runs ranging up to 30 yards. Fumbles at critical moments ruined whatever chance New Mexico had to score. Forward passing marked New Mexico's game. Aydelette twice arched the ball 35 yards to Broderick.

FOOTBALL FANS TO SEE C. & A. AND 1ST CAVALRY PLAY TODAY

With baseball over, fans of the District are turning today to the football game this afternoon between the C. & A. aggregation and the regimental team of the First Cavalry encamped at Naco. The game will be at the Warren park and will start at 2:30.

It should be far better than the C. & A.'s two previous games, which they won by overwhelming scores, as the regimental team has the pick of several company teams, one of which the C. & A. defeated two weeks ago.

The locals are much strengthened, with boys from Missouri and Arizona colleges in the lineup, in addition to those appearing in the past two games. John Galt also may be in the back field.

Last Sunday's game brought out a crowd of 500 and proved immensely popular to all followers of the pigskin sport.

CAROLINA ELEVEN IS NO MATCH FOR HARVARD SQUAD

Southerners Are Beaten 21 to 0 on Cambridge Field With Many Harvard Substitutes in Game.

CAMBRIDGE, Mass., Oct. 14.—A football eleven from the University of North Carolina, coached by a Harvard graduate and equipped with Harvard plays, was no match for the Crimson team today and they lost 21 to 0. It was an exhibition of Harvard's secondary strength, as six reserves were called upon to fill the places of regulars injured in the game that Harvard lost to Tufts last week.

LEHIGH LOSES TO YALE 12 TO 0

NEW HAVEN, Conn., Oct. 14.—Yale downed Lehigh today 12 to 0 in a desperately fought game. The feature was a sensational 65 yard end run through a broken field for a touchdown by Legore. Half a dozen Lehigh players tackled him but he shook them off. Bingham made Yale's other touchdown on a fifteen yard plunge through tackle. Neither goal was kicked. Lehigh could not pierce Yale's line for any appreciable gains.

ILLINOIS 3; COLGATE 15

CHAMPAIGNE, Ill., Oct. 14.—The University of Illinois lost its first football game since 1913 today, the superior Colgate team winning 15 to 3.
